Reliable

Space-Ray, Soloronics, Qmark

Manufacturers Represented

Stanley Industries Corp.

Product Description

Sound attenuators, acoustical panels, acoustical louvers, specialty sound products

Slot diffusers, light troffers

Polypropelene Blowers & Fans

Kitchen Hoods

Dehumidification & energy recovery heat pipes & units

Grilles, Registers & Diffusers

Kitchen ventilation systems, UL kitchen hoods

Control dampers, louvers, penthouses, and gravity hoods

Curbs, metal building curbs

Air doors

Grilles, Registers & Diffusers

FRP centrifugal and bifurcated polystack fans plenums

Louvers, control dampers, fire and fire/smoke dampers

VAV boxes, grilles, registers, diffusers, duct heaters

Humidification systems

Custom compressorized HVAC Equipment

Centrifugal roof and wall exhausters, Zephyr's, in-line fans, utility sets, propeller fans, gravity ventilators

Duct Heaters, Unit Heaters, Base Board Heater

Grilles, Registers, Diffusers and Louvers

Electric, radiant heating products

Product Description

Propeller fans, roof ventilators, tubeaxial fans,

filtered supply fans

Thermal Corporation

Custom air handlers, fan coil units

Thermal Products

VAV diffusers, self contained thermally actuated

TUTCO

Slip in type electric duct heaters

Vent Products

Access doors, fire dampers, fire/smoke dampers
controls dampers, louvers

VIMCO

Vibration isolation, shock and noise control products

Qmark

Electric Heating Products
